Hi Atara,

Attached please find a zip folder containing the document production based on the agreement made at the July 24th Omnibus Hearing. We are producing documents related to the Lockbox arrangement with rum producers that we believe are public, but difficult to find. The password to access the documents is **F#98QlthU&rob\$Aso?0?**.

We have also agreed to answer your question as to whether there was transmittal information provided in connection with the distributions from the Lockbox. The answer is "yes".

Please let me know if you need anything further from us.

Thanks,

Joe
